I just want to pass this on because you don't see this enough or get recognized for all your team does. See attached email below.

Thanks again for all you do.

Subject: can you pass on?

Hi Kim,

I was thinking about this the other day, and I don't know how to pass on the message so maybe you can help, or direct me?

Our janitors do the most fantastic job of keeping this building clean. It's something I think we all take for granted. This is a huge place, and it must be a lot of work to keep it looking so amazing all the time. Just the glass alone is a huge job.

I have also run into them when leaving at the end of the day, or when working late and they are always happy, nice, and look like they enjoy their jobs. They are a part of our team that we forget about.

Just wanted to send an appreciation email.
